Community Health Education

As a part of our mission to keep older adults healthy and independent, Independence at Home (IAH) offers a wide range of community education programs and activities to older adults and their caregivers.

Our lectures, workshops and courses cover an array of health-related, social and technology topics that matter most to the older adults and caregivers we serve.

Our educational programs are offered at no cost to the community via Zoom and telephone– all at no cost! We invite you to explore our monthly various classes.

Scan me to see the class calendar!

TAKE ACTION TO Prevent Falls Today!

The Dignity At Home program provides home assessments, fall prevention education, and injury prevention accessories to qualifying individuals 60 and older or persons with disabilities <u>who are at</u> <u>risk of falling</u> in Stanislaus County.

For additional fall prevention education or for additional information call Healthy Aging Association at (209) 525-4670

If you are ready to get the process started please call the Area Agency on Aging at (209) 558-8698

A Matter of Balance can help reduce the fear of falling and increase the activity levels of older adults who have concerns about falling. The classes meets locally for 8-weeks, for 2 hours.

Designed to benefit older adults who:

- are concerned about falls.
- have fallen in the past.
- restrict activities because of concerns about falling.
- are interested in improving flexibility, balance and strength.
- are age 60 or older, ambulatory and able to problem solve.

Call Healthy Aging Association at (209) 525-4670 for more information

Programs offered by Healthy Aging Association For more information please call (209) 525-4670 or visit our website at www.healthyagingassociation.org

Address fall hazards to increase your confidence and to protect yourself against falling.
