

# Submit your Advance Health Care Directive on kp.org

## Now online, easier than ever

The Advance Health Care Directive is a legal document that lets you do the following:

- Helps your physician make a more informed decision for your care.
- Designate a health care agent – a person who can voice your health care choices in the event you cannot communicate.
- Provide instructions about your medical care in situations in which you are unable to make your own decisions.
- Express your values, hopes, and priorities.

### Already completed your Advance Health Care Directive?

This form must be signed by two witnesses OR acknowledged before a Notary Public. Make sure your completed legal document is shared with both your health care agent and Kaiser Permanente.

Follow the steps below to have it added to your medical record. Online submissions unavailable via mobile app.
