Tips for Walking Outside

**Preparation** – don’t forget to wear proper clothing and use those assistive devices if needed:
- Wear good supportive footwear that secures the ankle.
- Bring along your cane or walker to aid you along the route.
- Bring your water bottle with you to stay hydrated.
- Dress appropriately for the weather.

**Motivation** – Some days are easier to get going than others, finding your own motivation may be challenging, here are some tips.
- Walk with a friend or family member.
- Create a walking group where you meet at the same place, on the same day of the week, at a specific time.

**Awareness** – Always check your surroundings.
- Watch for uneven surfaces.
- Look out for tree roots.
- Check for cars before crossing a street or intersection.

**Happy Walking**

**ENCOURAGING OLDER ADULTS TO MAINTAIN GOOD HEALTH AND ACTIVE LIVES LONGER!**

Funded by USDA SNAP-ED, an equal opportunity provider and employer.

**Our Goal**

To provide safe and measurable walking routes in an area highly populated with older adults. We encourage older adults and their community to organize walking groups and take part in walking for health and wellness in their community.

**Reasons to Walk**

- Walking can lower your risk of health problems like high blood pressure, heart disease, and diabetes.
- Walking strengthens your bones and muscles.
- Daily walking may lead to weight loss.
- Walking and exercise can enhance your overall attitude and mood.
- Walking can improve circulation and sleep.
- Walking may slow mental decline and lower the risk of Alzheimer’s Disease.
